GOVERNOR KAINE RELEASES BROADBAND AVAILABILITY MAP

~ Announces formation of Broadband Advisory Council~

On May 14, Gov. Timothy M. Kaine unveiled the Commonwealth's first broadband availability map, available online through the [Office of Telework Promotion and Broadband Assistance](#).

The map is an important resource that will give policy makers, local government leaders, and service providers a more detailed picture of broadband coverage in Virginia as they work to provide "last-mile" broadband in their communities. This snapshot of availability will help deploy resources to areas with the greatest need, particularly rural areas.
