Virginia Association of Counties Associate Membership Program

Introduction

The Virginia Association of Counties was established in 1934 as an independent nonprofit instrument of the state's county governments.

VACo exists to support county officials and to effectively represent, promote and protect the interests of counties to better serve the people of Virginia. The association also works cooperatively with its national counterpart, the National Association of Counties.

VACo's missions are:

- To be efficient, innovative and goal-oriented;
- To be responsive to present needs and to anticipate future demands;
- To be an effective force representing local governments at the state and national levels in legislative and regulatory processes;
- To be a valuable resource network for planning and implementation of new ideas and technologies.

Associate Membership

The association believes that developing a strong relationship with the private sector and other public sector organizations is beneficial, not only to counties but also to the people of the Commonwealth. County officials are constantly pursuing more efficient and cost-effective means to operate. VACo's associate membership program provides local government officials and other organizations a method for developing mutually beneficial relationships, which help to achieve these goals.

Any commercial enterprise, nonprofit organization, institution of higher education or public sector agency interested in the objectives of the Virginia association of Counties may become an associate member.

Associate members interact with county officials through conferences and other meetings, and receive various publications throughout the year. Associate members do not have voting privileges and are not eligible to serve in any association office or on any association board or committee. The cost of associate membership is \$350 per year. The member year runs July 1 to June 30 and dues are not prorated.
