

Virginia Cable Telecommunications Association (VCTA) - The mission of the Virginia Cable Telecommunications Association (VCTA) is to promote the cable television and telecommunications services of member companies in the Commonwealth of Virginia to the public, the business community and state officials. This will be accomplished through coordinated public relations and awareness efforts, adequate training, organized member lobbying, timely and informational meetings and conventions and consolidated efforts with local, state and national cable advocacy groups. The VCTA will operate by, for and with its members and will be a storehouse and source of member information.
