

**Branch Highways, Inc.**, is a full-service heavy highway and civil construction company located in Roanoke, Virginia performing work throughout the Mid-Atlantic region. As a privately held organization Branch is fortunate to operate under an Employee Stock Ownership Plan (ESOP), which provides direct benefits to our employees, the regions' economy and our customers.

With more than 40 years of experience our successfully completed work includes site development for commercial, residential and industrial development, highway, airport, landfill, dam and reservoir projects Branch has provided our expertise to hundreds of public and private clients. Our commitment to thorough planning and detailed on-site coordination has lead Branch Highways, Inc. to be rated one of the Top 400 Contractors in the United States by Engineering News Record since 1989.

**Branch Highways, Inc.** believes that well trained employees and safe working practices result in quality-conscious construction. So we have a full-time Safety Director and a stringent Safety Policy that we take very seriously.

- Skilled and dedicated employee-owners.
- Innovative and detailed project planning.
- Broad experience in a wide range of projects, large or small
