

U.S. COMMUNITIES™

GOVERNMENT PURCHASING ALLIANCE

The Virginia Association of Counties along with the Association of School Business Officials International (ASBO), the National Association of Counties (NACO), the National Institute of Governmental Purchasing (NIGP), the National League of Cities (NLC) and the United States Conference of Mayors (USCM) sponsor the U.S. Communities Government Purchasing Alliance.

The U.S. Communities program provides all local agencies in the U.S. with publicly competitively bid contracts for various products and services. Most local agencies may piggyback on a contract competitively solicited by another public agency, thereby eliminating the need to re-solicit. Through the buying power of large purchasers in the U.S. Communities program all local government agencies receive access to excellent pricing and contract terms.
