

ABOUT PARAM SOLUTIONS

Incorporated in 2006, as a one man consulting shop Param has come a long way. We are now a steadily growing IT professional services firm based out of Northern Virginia. Our founding team has over two decades of experience in the Information Technology domain. We offer a multitude of solutions in human capital acquisition, custom application development, and cloud computing. Our service offerings encompass a holistic strategy involving a deep understanding of customer's requirements and proposing solutions that aim to increase our customer's return on investment (ROI) and decrease their total cost of ownership (TCO).

Our team has expertise and demonstrable experience is solving many mission critical problems for a wide variety of clients. Some of the industry verticals we serve include, but are not limited to:

- ✓ **Federal Government Consulting Services**
- ✓ **State & Local Government Consulting Services**
- ✓ **Wireless and Telecommunications**
- ✓ **High-tech Services**
- ✓ **Non-profit Consulting Services**
