

HEAVY CIVIL CONSTRUCTION • SITE DEVELOPMENT • DESIGN-BUILD

Branch Civil is a member of The Branch Group, Inc., an employee-owned (ESOP) company based out of Roanoke, Virginia, with regional divisions in Northern Virginia, Virginia Beach and North Carolina. Branch Civil is the consolidation of sister companies Branch Highways and E V Williams.

Branch Civil is committed to continuing a 75-year tradition of building outstanding infrastructure projects in the Mid-Atlantic and Southeastern United States. Projects have included public highway and street construction, public-private partnerships, military bases, ports, airports, utilities, landfills, and reservoir dams. In the private sector, site work includes manufacturing and distribution facilities, office and retail developments, and residential subdivisions.
