

Company Profile

Dominion Energy [NYSE: D] is one of the nation's largest producers and transporters of energy, with a portfolio of approximately 26,200 megawatts of generation, 15,000 miles of natural gas transmission, gathering and storage pipeline, and 6,600 miles of electric transmission lines. We are one of the nation's leading utility operators of renewable energy and serve more than 6 million utility and retail energy customers.

Our company is built on a proud legacy of public service, innovation and community involvement. In addition to our core energy production, transportation and storage businesses, we invest in the communities where we live and work and by practicing responsible environmental stewardship wherever we operate.
