

PRINCE WILLIAM COUNTY GOVERNMENT
invites applications for the position of:

Emergency Services/Access Behavioral Health Division Manager

An Equal Opportunity Employer

POSITION #: 891419
DEPARTMENT: COMMUNITY SERVICES
SALARY: \$81,432.00 - \$138,274.50 Annually
OPENING DATE: 07/27/17
CLOSING DATE: 08/10/17 11:59 PM

INTRODUCTION:

Are you interested in being part of an organization whose mission is a commitment to improving the quality of life for individuals and families with issues related to mental health, substance abuse and developmental disabilities through a system of care that respects and promotes the dignity, rights and full participation of clients? Then Prince William County Community Services (CS) is for you. Located within easy commuting distance from Washington, D.C., Northern Virginia and Stafford County, Prince William County is a diverse and dynamic community. Come join a team that values creativity, quality service, integrity, accountability and teamwork. We are recruiting qualified applicants for a full-time 37.5 hours/week Behavioral Health Division Manager. This position provides leadership, coordination and oversight of the Emergency Services/Access Division and participates on the CS Senior Management team. Work involves providing organizational leadership and direction based on mission, goals and objectives of the agency. Manages the development and implementation of all programs within the division and oversees relevant contracts. This position is responsible for carrying out policies, directives, and procedure of the Community Services Board, Board of County Supervisors, Virginia Department of Behavioral Health, and applicable federal regulations and ensuring compliance with all applicable standards.

REQUIREMENTS:

Master's Degree in social work, psychology, counseling, or a related field, and 5-7 years of experience in an interdisciplinary behavioral health community based environment; and 3-5 years of experience in comprehensive program development and managing the provision of clinical services, to include 2-3 years of supervisory experience at a professional level. Must be LCSW or LPC.

PREFERENCES:

Experience planning, administering, directing and implementing various programs within the

Community Services Department, experience collaborating with other Division Managers, providing personnel management of Division staff and making recommendations for all relevant personnel actions, developing and implementing inter-agency agreements, establishing and maintaining clinical standards. Experience in an out-patient Emergency Services program, crisis intervention and assessment center programs.
