

Hurt & Proffitt (H&P) is a SWaM certified small business with offices located in Lynchburg, Blacksburg, Richmond, Roanoke, and Wytheville, Virginia. H&P provides civil engineering, land development, surveying, environmental, geotechnical investigations, CCTV pipeline inspections, and construction testing and inspection along with grant writing and administration. Our services also include water and wastewater design, stormwater management, funding application assistance, geographic information systems (GIS), cultural resources, LEED® sustainable design, environmental permitting, dam engineering, construction administration and other related services. Our integrity, attention to detail, vast experience, and commitment to professional standards have helped make us one of the top engineering and surveying firms in the Commonwealth of Virginia.
