

Director of Planning and Zoning

Shenandoah County seeks a highly motivated, creative and qualified candidate to lead and direct the County's planning and zoning efforts within the office of Community Development. The position directs, coordinates and oversees the planning and zoning functions to include the functional areas of planning, zoning and erosion and sediment control. The ideal candidate will possess a minimum of a bachelor's degree in public administration, urban planning, political science or related course work; supplemented by supervisory experience as a division or department head within the field. The position is compensated on a pay grade 26 of the Shenandoah County pay scale. The preferred hiring range is \$57,023 - \$66,129; however, the successful candidate's final negotiated starting salary will be dependent upon the candidate's education and experience. Shenandoah County offers a competitive benefits package for full time employees including: employer paid health insurance, retirement, life insurance and paid leave. This position is FLSA exempt. Submit a cover letter, detailed resume and references along with a completed Shenandoah County employment application to Mary T. Price, County Administrator, Shenandoah County, 600 N. Main Street, Suite 102, Woodstock, VA **22664** by **September 22, 2017**. Visit our website: <http://shenandoahcountyva.us/administration/employment/> for an employment application. Electronic submissions may be submitted to kbowers@shenandoahcountyva.us
