Southeast Rural Community Assistance Project, Inc.

Southeast Rural Community Assistance Project, Inc. (SERCAP)

Southeast Rural Community Assistance Project, Inc. (SERCAP) is a 501(c)3 nonprofit organization that provides training, technical, and financial assistance to both individuals and rural communities for water, wastewater, housing, and community development projects. SERCAP's mission is to improve the quality of life for low-income individuals by promoting affordable water and wastewater facilities, community development, environmental health, and economic self-sufficiency.

SERCAP's services include:

- Grant Assistance, including Facilities Development Grants to public utilities, towns, and counties for Water, Wastewater, and Community Development Projects.
- Affordable Loans, including Community Development Loans to public utilities, towns, and counties for Water, Wastewater, and Community Development Projects.
- Technical Assistance to public utilities, towns, and counties, including: Federal/State Compliance Issues, Rate Studies, Leak Detection Services, Asset Management, Board Trainings, Continuing Education for Water/Wastewater Operators, etc.
- Housing Services, including Grant Management and Housing Rehabilitation Specialist Services for Community Development Block Grant (CSBG) Projects.
- Housing Counseling Services
- VFC Alternative Break Program
