

Whether it's a study, renovation or a brand new building, DJG has the capabilities and skills to design any project. Being a full service multi-discipline firm, we have all of our services under one roof which means easy coordination and simple scheduling.

ENGINEERS / ARCHITECTS / PLANNERS

757.253.0673 | www.djginc.com

Founded in 1978, we are an award-winning engineering, architecture, and planning firm located in Williamsburg, VA. We offer the following services to Clients from federal, state and local governments, as well as private companies throughout Virginia:

- Architecture & Planning
- Interior Design
- Structural Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Design
- Landscape Architecture
- Construction Administration

We've designed a variety of projects, including public safety buildings, public works complexes, courthouses, office buildings, and maintenance facilities.

We are certified as a Small Business by the Virginia Department of Minority Business Enterprise. 20% of our staff are LEED APs which makes it easy to incorporate sustainable design features, wherever practical. This helps to reduce long-term energy, operating costs and maintenance; as well as the project's impact on our environment.

For 42 years, DJG has been part of making an impact in our local communities through our collaboration, consultation, and solutions delivered to the municipalities of Virginia.
