

Director of Community Development

New Kent County

We are seeking qualified applicants for the position of **Director of Community Development**. This position leads the county's Planning and Environmental functions and all personnel in those areas.

Qualified applicants must have comprehensive knowledge and understanding of urban and rural planning as well as related disciplines. The incumbent should possess a general knowledge of the principles and practices of civil engineering as they relate to planning, site and subdivision design and control. The Director will ensure that technical and legal requirements of all projects are met successfully. The person in this position must be skilled in preparing and presenting technical reports and presentations to a variety of audiences, including the Board of Supervisors and outside professional organizations and groups.

Educational requirements include a degree in planning, public administration or related field with significant professional experience, preferably in the public sector.

Applications must be submitted online at www.co.new-kent.va.us where a complete job description is available.
