

## **Employment Opportunity Engineering Specialist (Part-time)**

Westmoreland County, Virginia is seeking a qualified individual to serve as a part-time Engineering Specialist. The successful applicant must have considerable knowledge of public works construction management, inspection, methods and materials; knowledge of contract administration and pay estimates; ability to read and interpret plans and specifications. The Engineering Specialist must have the ability to establish and maintain effective working relationships with employees, contractors, other departments and the general public; ability to follow written and oral instructions; and the ability to communicate effectively, both verbally and in writing. Requires an associate's degree or any equivalent combination of education and experience in engineering, drafting, or a closely related field. In addition to satisfying the vocational/education standards, this class requires a minimum of five years of related, full-time equivalent experience. For a complete job description, contact the County Administrator's Office at 804-493-0130 or visit our website: [www.westmoreland-county.org](http://www.westmoreland-county.org).

Please submit a cover letter, resume and professional references to: Norm Risavi, County Administrator, P. O. Box 1000, Montross, VA 22520 no later than 4:30 p.m., on Friday, October 13, 2017. Hourly rate is commensurate with qualifications and experience. Westmoreland County is an AA/EO Employer.
