

Environmental Engineer Senior - 02477

Salary: Negotiable to \$65,490

This position serves as the District Engineer and has primary responsibility to ensure safe drinking water to the Counties of Fauquier, Prince William, and Stafford and the Cities of Manassas and Manassas Park.

This position is responsible for providing technical assistance to 124 waterworks, serving a population of approximately 590,000 Virginians and is located in the Office of Drinking Waters Culpeper Field Office. Critical duties include: conducting inspections and sanitary surveys (comprehensive assessments) of waterworks, interpreting federal and state regulations applicable to waterworks owners and operators, providing guidance to owners and operators to ensure they achieve compliance with health and safety standards, providing assistance to help waterworks return to compliance in cases where they violate standards, performing evaluations of engineering documents associated with the design and construction of new or expanded waterworks to ensure construction will meet appropriate public health standards, training operators in the operation and maintenance of waterworks; and providing information about drinking water quality to the general public.

Licensure in Virginia as a Professional Engineer or eligible to obtain Virginia licensure. In addition to being able to manage the critical duties as described above, the preferred candidate will have a civil, sanitary, environmental or chemical engineering educational background. MS is a plus or combination of experience, training and education.

Employment is contingent upon satisfactory results of a state and federal criminal history background check and the Department of Social Services Child Abuse and Neglect Registry check, U.S. HHS IG Exclusion List check, employment reference, and E-Verify. Other financial, credit, driving, or other background checks prior to employment may be required for certain positions.

Accepting applications until 11:59 pm EST on 10/13/2017. Only online applications to our website will be considered. To apply, please visit at: <https://virginiajobs.peopleadmin.com>.
