

“Insuring Your Future”

Asset Protection Group “AP Group” is proud to be endorsed by the Virginia Association of Counties “VACo”. AP Group is experienced in providing association based membership enhancements by offering tailored employee benefits to association members. We have access to a wide variety of insurance companies, with resources dedicated to healthcare and the public sector. Please inquire about our unique product offerings through Aflac to VACo members. This unique program benefits both current and new Aflac clients.

The hallmark of AP Group is our individual approach to all clients through a team of dedicated professionals. We want to help you succeed. Our services are built around your needs and our goal is to provide clients the highest quality service and coverages at the lowest possible cost.

We work only with insurance companies that offer –

- Financial strength and stability
- Competitive premiums and coverage
- Excellent service to policy holders
