

VACo Associate Member SPOTLIGHT

This month's spotlight is on AquaLaw.

AQUALAW

FIRM PROFILE

AQUALAW is a 13-member team dedicated to advising and representing counties, cities, towns, and authorities on water, wastewater and stormwater matters, including:

- *Interjurisdictional Water & Wastewater Agreements & Other Utility Contracts*
- *State & Federal Permits for Reservoirs, Water Withdrawals & Transmission Pipelines*
- *State & Federal Permits for Wastewater Discharges & Reuse of Reclaimed Water*
- *Municipal Separate Stormwater Sewer System (MS4) Permits, Programs & Plans*
- *Cost-Effective Strategies for Total Maximum Daily Load (TMDL) Compliance*
- *Day-to-Day Counseling on Utility Operations, Compliance & Reporting*
- *Defense & Resolution of State & Federal Enforcement Actions*
- *Local Ordinances for Water & Sewer Service and for Stormwater Management*
- *Development & Defense of Water & Sewer Rates & Charges*
- *Development & Defense of Stormwater Utility Fee Systems*
- *Related Litigation*

AQUALAW brings strong water industry knowledge and cutting-edge legal and regulatory experience from a broad, national practice with deep Virginia roots, including:

- *Our nationwide work for local government utilities in over 12 different states in 2017 alone*
- *20+ years of service to the VA Association of Municipal Wastewater Agencies (VAMWA)*
- *10+ years of service to the VA Municipal Stormwater Association (VAMSA), and*
- *Similar experience serving local governmental associations in NC, SC, WV and MO*

AQUALAW is a nimble and responsive Virginia-certified "Small, Women, and Minority-Owned" (SWAM) business. With easy-to-establish and maintain on-call arrangements, we pride ourselves on being readily-accessible, long-term team members to help safeguard your utility operations and add strategic and practical value in a cost-effective manner.

We are proud to support VACo and Counties across the Commonwealth. Thank you for the privilege.
