

Public Works Director - #3690

Fluvanna County, Virginia, is seeking a full-time Public Works Director. Under the general supervision of the County Administrator, the Director is responsible for planning, organizing, and directing all county-wide public works functions, projects, operations, and staff. The Public Works Department consists of approximately 22 staff members and encompasses the operational areas of building and grounds maintenance, custodial services, water and wastewater systems, irrigation, solid waste and recycling, and collaboration with VDOT on road maintenance and related projects.

To succeed in this role, the candidate will be a graduate of an accredited college or university with major course work in civil engineering or related field, and have a minimum of 5 years of experience in a leadership role in the public works field. Supervisory experience is required. Current licensure as a professional engineer in the Commonwealth of Virginia, or proven ability to obtain by reciprocity within 90 days of employment date, and local government experience is preferred. Any equivalent combination of experience and education that will allow the applicant to satisfactorily perform the duties of the job may be considered when filling the position.

Salary range begins at \$63,780 annually, and is negotiable dependent upon education, licensure, certifications, and experience. This is an FLSA exempt position with full County benefits. Position open until filled. For the full job description, go to www.fluvannacounty.org/hr/jobs.

Submit a County application, resume, cover letter, and references by email to jobs@fluvannacounty.org. Applications are available at the county website, www.fluvannacounty.org/hr/jobs. EOE
