

# **WASTEWATER PLANT OPERATOR I**

**Town of Culpeper**

**Full-Time – Excellent Benefits**

**Salary Range - \$39,422.84 - \$63,076.54**

The Town of Culpeper's Environmental Services Department is seeking qualified applicants for a Wastewater Plant Operator I. The successful candidate will perform intermediate technical work in the operation of a wastewater treatment plant; perform advanced chemical and bacteriological tests; prepare and maintain records on plant operations to include DEQ and EPA reports; fill in as operator in charge and/or lab supervisor when needed; and perform related tasks as required. Candidate must have thorough knowledge of operating characteristics and maintenance requirements of a wastewater treatment plant; thorough knowledge of hydraulic, chemical and mechanical principals pertinent to wastewater treatment plant operations; thorough knowledge of occupational hazards of the work and necessary safety precautions; ability to detect flaws in the operation of mechanical equipment and to determine proper remedial measures; ability to understand and follow oral and written instructions; ability to read meters and charts accurately and to maintain records or shift operations; and some skill in the use of hand tools.

Any combination of education and experience equivalent to graduation from high school, extensive experience in the operation of a wastewater treatment plant, and possession of a Class I Wastewater Treatment Plant Operator license issued by the Commonwealth of Virginia required.

Application and position profile are available at [www.culpeperva.gov](http://www.culpeperva.gov). Open until filled.
