

## **WASTEWATER PLANT POSITION**

The City of Buena Vista is accepting applications for the position of “Water Quality Operations Supervisor (WWTP Chief Operator).”

This position works under the supervision of the Water & Sewer Supervisor in the Public Works Department and provides oversight to staff operating and maintaining wastewater treatment facilities. Responsibilities include supervising wastewater plant functions through the implementation of policies and procedures to efficiently operate the WWTP and equipment used to collect, treat, and dispose of waterborne domestic and industrial waste in accordance with regulatory requirements. Requires performing routine semi-skilled and technical work and serves as back-up for the Laboratory Manager. Position requires employee to be on-call and work weekends and holidays as needed. Cross training in the area of water treatment may be required.

Applicant should possess a high school diploma or equivalent, a Class II Wastewater license as issued through the Virginia authority and three years of experience as a Class II; prefer two (2) years of supervisory experience. Possession of a valid driver’s license issued by the Commonwealth of Virginia is required. Must be computer literate and able to use Microsoft Excel and Word programs. The City is a member of the Virginia Retirement System and offers excellent benefits as part of their employment package. Salary is 45k to 50k based on qualifications.

A detailed job description of this position and City application may be obtained by contacting the Department of Public Works at 540-261-1444 or [water@bvcity.org](mailto:water@bvcity.org).

Submit application with resume and cover letter to: Trina Mastran, Director of Public Works, 2039 Sycamore Ave, Buena Vista, VA 24416 or [water@bvcity.org](mailto:water@bvcity.org). Applications will be reviewed on an ongoing basis; early submittal is encouraged. Open until filled.
