

SENIOR PLANNER

Fauquier County is seeking qualified applicants for a Senior Planner within the Zoning and Development Services Division of Community Development. This position will undertake a key role reviewing site development and construction plans as well as various subdivision applications. The position will also conduct zoning reviews for a broad range of development applications, including rezonings, special exceptions, special permits, and other development plans; and provide information on zoning requirements to the public, other staff, design professionals, and elected and appointed officials. The successful applicant must be experienced in land development case coordination, reading and reviewing site and construction plans, understanding and applying zoning regulations, and writing and presenting comments and technical staff reports. Minimum requirements include a Bachelor's degree in planning, landscape architecture, or a degree in a related field, at least five (5) years' experience including land development review, and excellent oral and written communication skills. Experience in both the public and private sector is preferred.

Minimum starting salary is \$57,408, with excellent benefits. Interested applicants must submit an on-line Fauquier County classified application, available on the County's website www.fauquiercounty.gov. Position is open until filled. For assistance with the on-line application call the Human Resources Department at 540-422-8300. Please direct specific position-related questions to Amy Rogers; Chief of Zoning and Development Services at 540-422-8200 or email amy.rogers@fauquiercounty.gov.
