

CIC

The Town is seeking applicants for potential vacancies as a Civil Engineer I and Civil Engineer II. Christiansburg is a town with some of the greatest growth potential regarding infrastructure and land development in Virginia. It is ideal for an engineer seeking opportunities in a vast array of projects that may immediately improve the quality of life of the citizens.

Civil Engineer I - Valid VA driver's license with minimum of two (2) years of driving experience; must possess and maintain certification as an Engineer-In-Training (EIT) or obtain within one (1) year of hire date; Bachelor's degree in Civil Engineering or related field.

Civil Engineer II – Valid VA driver's license with minimum of two (2) years of driving experience; must possess and maintain certification as a Commonwealth of Virginia Professional Engineer (PE) or eligible to sit for a Professional Engineer (PE) exam, pass and obtain within six (6) months of hire date; Bachelor's degree in Civil Engineering or related field; supplemented by four (4) years of experience; or any equivalent combination of education, training, and experience.

For both positions, experience with Virginia Department of Transportation Locally Administered Projects preferred.
