JOB DESCRIPTION

Loudoun County's Department of Management and Budget (DMB) is seeking a detail-oriented, innovative, and analytical team player to become a core member of its team with a focus on capital budgeting. DMB, which reports directly to the County Administrator, is a change agent for the County and guides departments through resource allocation and programmatic analysis to create a high-functioning local government organization.

An ideal Senior Management Analyst will share a passion for local government, prioritize problem solving and collaboration, and thrive in a fast-paced, results-oriented environment. The successful candidate should also have a team-oriented approach, extremely strong analytical and writing skills, a proven record of excellent customer service, and a desire to innovate.

DMB is responsible for the coordination and technical work in the preparation, monitoring, execution, and presentation of the County's annual Proposed and Adopted Budgets, including the six-year Capital Improvement Program. This position is responsible for the development and monitoring of capital project budgets with a portfolio that could include fire and rescue, parks and recreation, public safety, and human services. Additionally, this position along with his/her team will support the County's Fiscal Impact Committee and produce work products that analyze population and land use forecasts in order to recommend and plan for long-term capital facility needs. The position is high-visibility and produces work products and recommendations that guide the County Administrator and Board of Supervisors on long-range capital facility planning for Loudoun County. The senior analyst acts as a subject matter expert for the financial and policy decisions and analysis for his/her assigned portfolio.

Incumbent is eligible for the County's benefit package, which includes extremely competitive health, dental and vision insurance; enrollment in the Virginia Retirement System; matching contributions to deferred compensation plan; and annual and sick leave benefits.

Loudoun County, Virginia, is located approximately 35 miles outside Washington, DC. Loudoun County plays a key role in the Northern Virginia region and participates in regional undertakings including those related to transportation/transit and road infrastructure, parks, mental health, public safety, and economic development. Recognized as one of the fastest growing counties in the entire United States, Loudoun boasts a thrilling and diverse local economy that will continue to expand as the Metrorail Silver

Line opens three new stations within the County over the next four years. The County's General Fund budget totals \$1.8 billion for FY 2020 and is buoyed by strong residential, commercial, and personal property values and sales tax and its backbone of nationally-recognized schools.

Applicants should include information in the application that demonstrates how previous work, volunteer, and educational experiences will make him or her the ideal management analyst and DMB team member.

JOB REQUIREMENTS

Requires any combination of education and experience equivalent to a bachelor's degree in political science, government, public administration, public policy, business administration, or a related field with four years of directly related experience in budget, management analysis, performance management, or other related work experience. Experience in public budgeting and capital budgeting is strongly preferred. This position requires thorough knowledge of Excel, Word, and PowerPoint. Experience with Oracle EBS and Hyperion is a plus and also strongly preferred.

SPECIAL REQUIREMENTS

Application will be considered complete with the submission of written responses to the following questions. Applicant should attach a file with responses.

POST CONDITIONAL OFFER CONTINGENCIES
