

VACANCY ANNOUNCEMENT

Director of Public Works

Starting Salary: \$95,452-\$109,768 DOQ

The Director of Public Works plans, develops, organizes and directs the functions of the Public Works Department, including street and sidewalk construction and maintenance, water treatment and distribution, wastewater collection and treatment, traffic engineering, traffic signal and sign installation and maintenance, municipal solid waste collection, recycling, storm water drainage, tree maintenance, and vehicle maintenance. Employees in this classification perform managerial engineering work. Position is responsible for planning, directing and managing the daily operations as well as capital projects of the department. Performs related work as required.

Bachelor's degree in civil engineering, public administration, or closely related field; supplemented by ten (10) to fifteen (15) years previous experience that includes professional engineering; or an equivalent combination of education, training, and experience. Registration as a professional engineer in the Commonwealth of Virginia (or ability to qualify for such designation within a negotiated period) preferred but not required. Must possess a valid state driver's license. Criminal background check required.

The Director serves as a member of the City Manager's Executive Leadership Team and will be expected to play an integral role daily in advancing the City's "*one team for a great community*" motto.

Open until filled. Review of applications will begin June 21, 2019.
