

HANOVER COUNTY IS SEEKING AN EXPERIENCED PSYCHIATRIST

Hanover County, VA is a vibrant community located just north of Richmond, VA. Hanover is renowned for its history, rural horse country and tomatoes. The County is comprised of 473 square miles and has just over 100,000 residents. This includes those residing in the Town of Ashland, an authentic railroad town. The area abounds with a wide spectrum of cultural, recreational and entertainment activities.

Hanover County enjoys the reputation as a great place to live, work, and play. Hanover County has a triple AAA bond rating, which is a rarity for a County our size. This reflects our sound financial practices.

Hanover County's Community Services Board is seeking an energetic individual who will provide psychiatric evaluation, medication management and follow-up treatment for persons with mental illness and those with dual or multi-diagnoses.

Successful candidate will have a Doctor of Medicine degree with residency in psychiatry, required. License to practice in Virginia, required. Board Certified by American Board of Neurology and Psychiatry, preferred. Experience working with persons with serious and persistent mental illness, substance use disorders, and developmental disabilities in a community-based setting, preferred. Any equivalent combination of education, experience and/or training sufficient to demonstrate the knowledge, skills and abilities is acceptable.

We are offering a competitive annual salary plus excellent benefits. For more information and to apply, please visit our career site at www.hanovercountyjobs.com.
