

Visit Cumberland County and the Bear Creek Lake State Park

Source and Photos: Virginia Department of Conservation & Recreation

Bear Creek Lake State Park is located less than an hour west of Richmond and nestled in the heart of Cumberland State Forest. It is the perfect getaway for the outdoor enthusiast.

Activities center on the park's 40-acre lake complete with a boat launch, fishing pier, boat rentals and swimming beach. The park offers camping, cabins, a meeting facility, an archery range, lakeside picnicking, playgrounds, hiking and access to a 14-mile multi-use trail in the state forest.

The park is surrounded by the 16,000-acre Cumberland State Forest. Four small lakes in the state forest are managed by the Department of Game and Inland Fisheries for recreational fishing. A network of forest roads with and without gates enables great hiking, mountain biking and nature observation.
