

## HEAVY CIVIL CONSTRUCTION ■ SITE DEVELOPMENT ■ DESIGN-BUILD

Branch Civil is an employee-owned (ESOP) company based out of Roanoke, Virginia, with regional divisions in Northern Virginia, Virginia Beach, and North Carolina.

Committed to continuing its 75-year tradition of building enduring infrastructure projects in the Mid-Atlantic and Southeastern United States, Branch Civil projects include public highway and street construction, public-private partnerships, military bases, ports, airports, utilities, landfills, and reservoir dams. In the private sector, site work includes manufacturing and distribution facilities, office and retail developments, and residential subdivisions.
