# VACo 83rd Annual Conference Mobile App

**We invite you to download the VACo 83rd Annual Conference Mobile App.** Powered, designed and built by Param Solutions, the Annual Conference Mobile App is an intuitive and responsive tool that helps make your VACo Annual Conference experience better.

- Access session details and create a personal schedule
- Network and stay connected with colleagues and fellow attendees
- Access Exhibitor information and booth numbers
- Access Sponsors' information
- Receive notifications, alerts and private messages
- View maps of Omni Homestead, Exhibit Hall and other conference locations
- Rate sessions to help VACo evaluate Annual Conference

Logging in is Easy...

- Search "VACo Conf" from the App Store (iPhone or iPad) or from the Play Store (Android)
- Download the VACo 83rd Annual Conference App onto your homescreen
- **Log in by using the email address on your Annual Conference registration form (only those who have registered can log in to the App)**
- Create a password (you can use the App on 2 devices)

VACo thanks Param Solutions for its sponsorship and creation of the VACo 83rd Annual Conference App.

If you registered late or have questions about the App - please visit Param Solutions at Booth 707. They will gladly help you with the Mobile App and talk to you about their MyCounty App available to all of VACo's Member Counties.
