

MAZZITTI & SULLIVAN

EAP

Mazzitti & Sullivan was founded in 1983 by Chuck Mazzitti and Andy Sullivan out of a common desire to help people in their time of need. In 1984, they created Mazzitti & Sullivan EAP Services in response to a growing need for Employee Assistance Programs in Central Pennsylvania and incorporated the business in 1990. In April of 2016, Mazzitti & Sullivan joined Pyramid Healthcare Inc., the third largest behavioral healthcare organization in the nation, providing services to Pennsylvania, Maryland, New Jersey, Virginia, Georgia, and North Carolina.

Mazzitti & Sullivan EAP is a stand-alone EAP that provides exceptional people-focused solutions to common organizational and employee performance problems. The team at Mazzitti & Sullivan partners with their clients to form a strong, professional relationship built on trust and excellent service delivery.

Their commitment to individualized services and customer service has led to numerous Employee Assistance Program models for the employers with whom they contract. It has also led to the creation of HR Consulting Services that include: Pre-Employment Assessments, Job Matching, Organizational Climate Surveys, Succession Planning, Employee/Management Coaching, Exit Interview Services, and Leadership Training Academies.

Over the past 35 years, Mazzitti & Sullivan EAP has experienced growth due to word of mouth and commitment to their clients' needs and success. They currently contract with over 65 counties, county agencies, cities, and boroughs in addition to their 200+ other clients of various industries. Mazzitti & Sullivan EAP Services is looking forward to assisting the counties, their employees, and their family members across the Commonwealth of Virginia.
