

PIERCE GROUP BENEFITS

WHAT WE OFFER

Today's workforce has come to expect a comprehensive benefits package. With the right benefits and cost, an employer can attract and retain the best personnel. But, planning a benefits package is complex and involves making decisions that will impact employers and employees alike.

When you partner with Pierce Group Benefits, you have the ability to obtain a comprehensive employee benefits package without making sacrifices, without creating more costs, and without having to make cuts elsewhere.

WHO WE ARE

Pierce Group Benefits is a family operated, full service benefit consulting firm that specializes in building comprehensive benefits packages and customized solutions for public sector employees. Since 1968, our services have continued to expand based on our clients' evolving needs. We pride ourselves on finding economic solutions to benefit challenges and delivering superior service to our clients. Our offices in Virginia and North Carolina are ready to exceed your expectations.

OUR RESULTS

Pierce Group Benefits is the leading regional provider of employee benefit packages to the Public Sector. By serving over 150,000 employees, our buying power is a tremendous advantage to our clients' budget. Pierce Group Benefits offers a "one-stop-shop" approach, meaning our communication and services are streamlined for both administration and your employees. We are consistently successful in enhancing our clients' benefits by increasing benefits and lowering costs.
