

*Providing world-class solutions and transformational technologies to
Local Governments across the U.S.*

OST is a leading national system integrator, technology firm, and government contractor with a large presence in Virginia. Our team has been serving the Department of Homeland Security, the Department of Transportation, the Department of Defense, and the Department of Energy for decades. More importantly, we have a stellar record of providing cost-effective Integrated IT Solutions, Engineering Solutions, Management Consulting, Managed Services, and Smart Cities Solutions that help local governments achieve their goals.
