SUBJECT: Notice of Stakeholder Sessions: Cost Study of Private Day Special Education Programs

The Office of Children's Services has been conducting a legislatively mandated study of costs for CSA funded private day special education programs. Public Consulting Group (PCG) has been contracted to carry out the study, which is due to the General Assembly on October 1, 2019.

Data collection has been completed and PCG is preparing their analysis and recommendation. In order to receive input and feedback into this report, PCS and OCS will be holding a series of public meetings. This memo is to make you aware of these meetings and to invite your participation. Registration is not required. I hope you will be able to attend or have a representative at one of these sessions.
