

Clinical Professional

Competitive Salary DOQ + [Full-Time County Benefits](#)

Olde Towne Medical and Dental Center is seeking a motivated Registered Nurse (RN) to provide patient education services.

Responsibilities:

- Plan and provides patient education and case management to ensure patient compliance with the plan of treatment; teach health promotion, disease prevention, and personal responsibility for care; perform home visits as appropriate.
- Administer routine laboratory tests, medications, immunizations, and treatments according to nurse practitioners and physician's orders; assist nurse practitioners and physicians with exams.
- Plan, coordinate, monitor, and implement the activities of patient care and flow to ensure the smooth delivery of care on a da-to-day basis; may coordinate and supervise the day-to-day work of other clinic and volunteer staff as it relates to assigned patients.
- Assist in the development of clinical quality improvement (CQI) activities and clinical protocols and procedures.
- Staff County shelters during emergencies and emergency situations.

Requirements:

- Any combination of education and experience equivalent to a Virginia licensed Registered Nurse, Virginia Board Certified or eligible; and certified diabetes educator or eligibility to obtain within one year of hire as well as some public health/clinic experience and/or ambulatory primary care clinic experience preferred. Virginia licensed practical nurse (LPN), or Virginia licensed Medical Assistant welcome to apply, though Virginia Licenses Registered Nurse strongly preferred for this position.
- Must possess or be able to obtain cardiopulmonary resuscitation (CPR) certification within six (6) weeks of employment.
- Must possess a valid Virginia driver's license and have an acceptable driving record based James City County criteria.
- Knowledge of public health nursing principles and practices, wellness concepts, and community resources.
- Skill in use of computer software, especially Microsoft Office Suite.
- Ability to work independently, and as a team member under pressure in a fast-paced clinic setting; establish and maintain effective working relationships with physicians, nurse practitioners, other co-workers, volunteers, and the public; work and communicate effectively with persons of various multicultural and socioeconomic and educational backgrounds; provide nursing care using the nursing process; effectively communicate both orally and in writing.

Accepting applications until 11:59pm EST on 011/09/2019, or until filled, whichever comes first. Only online applications to our website will be considered. To apply, please visit the James City County Career Center at <https://jobs.jamescitycountyva.gov>
