COUNTY OF MONTGOMERY

CYBERSECURITY ANALYST /SECURITY SPECIALIST

Department of Information Technology

#140117-2

Montgomery County currently seeks Cybersecurity Analyst/Security Specialist to work closely with the Director of IT and other key staff to develop and maintain the cyber security posture for Montgomery County. Essential duties include but are not limited to:

- Monitor systems and networks for vulnerabilities and provide patches/fixes using GFI LanGuard.
- Monitor and maintain SIEM tool (Splunk) for cyber threat detection and reconnaissance.
- Support system and network engineering efforts, including firewall configuration, and provide technology infrastructure recommendations pertaining to cyber security.
- Provide Active Directory support and LDAP implementations as well as manage security certificates.
- Support Identity and Access Management (IAM) program and intranet and internet implementation.
- Develop and maintain technical documentation, troubleshooting guides, provide periodic security reports for management, and support cybersecurity awareness/training initiatives for end users.
- Participate in development of a comprehensive information security policy suite for the County and assist in development of an incident response plan.
- Work closely with Information Technology applications to ensure that the data business applications create and manage is protected.
- Analyze security impacts of application and software changes and changes to technology infrastructure.
- Provide support for the Help Desk and Operations staff as needed.

Associate degree in Computer Engineering/Science or closely related field and five years related experience in technology operations, preferably network engineering, or combination of education and experience deemed equivalent. Cybersecurity certification preferred. Demonstrated written and oral communication skills and exceptional ability to collaborate with a variety of stakeholders on cross-functional projects required.

Minimum starting salary **\$51,989/annually+DOQ** plus excellent benefits (paid health & dental; VRS state retirement, optional vision, life, disability, wellness program, and much more).
