

At First Financial Group of America, we work hard to simplify the benefits process for you and your employees. We are a full-service agency with a dedicated home office team, salaried account representatives and established relationships with vendors. This allows us to provide support from the beginning to the end. Our goal is to help you design a benefits portfolio that makes sense, is affordable, and most importantly, protects your employees and their families. With more than 50 years of experience providing quality benefit solutions, we have the expertise to implement and support your benefits with ease.
