Transportation

Advancing the transportation landscape

Conduent Transportation has been helping transform the way the world travels for more than 50 years. We've built a rich tradition of partnership and collaboration by customizing and delivering the industry's most innovative technology to customers around the globe.

Our Commitment

While a lot has changed at Conduent Transportation over the years — new brands, new leadership, new ways to adapt to the ever-changing needs of the market and its end-users — one thing has always remained the same: our commitment to our customers.

To make good on that commitment, we're redefining our voice in this industry and revitalizing our efforts to design the cutting-edge technology needed to keep up with a rapidly evolving future to better help you and your constituents. More than ever, we're transforming to take our partnerships to a new level.

Our Mission

We deliver mission-critical photo enforcement, violations processing, and data analytic solutions that reduce and prevent dangerous motorist behavior, improve automation, and provide data to support critical decision-making to streamline operations and encourage change in driver behavior while creating safer communities.
