

**GLOUCESTER COUNTY**  
invites applications for the position of:

## **Mechanical Technician III**

---

**SALARY:** See Description

**OPENING DATE:** 09/27/2020

**CLOSING DATE:** Open Until Filled

### **Join our Team!**

Our Mechanical Technician III performs skilled mechanical, electrical, and plumbing work on specialized systems and utility machinery for the Facilities Management Department. Work is performed in accordance with standard procedures and practices of the various trades and requires judgment and initiative in detecting the causes of malfunctions, in solving problems and in handling emergencies. May direct the work of others. Reports to the Senior Mechanical Technician or other designated supervisor.

#### **Working for the County as the Mechanical Tech III offers the following:**

- Monday – Friday work week
- On-call 1 week a month
- **Off** nights and weekends (except the on-call week)
- 12 paid holidays a year in addition to paid time off (PTO) benefits
- Paid training & educational opportunities
- Uniforms and tools provided.
- Excellent health insurance and retirement benefits.

The hiring salary for the [Mechanical Technician III](#) is \$41,531.00 +/- annually DOQ.

#### **Examples of Duties**

1. Diagnoses mechanical and electrical problems in heating, ventilation and air conditioning systems.
2. Performs maintenance and servicing of a variety of water, ventilation, heating and air conditioning systems, furnaces, water and sewer pumps, etc.; changes fan belts; replaces expired parts; replaces or cleans air filters.
3. Installs, maintains and repairs plumbing facilities, heating and air conditioning systems, and various electrical systems, including service panels, control circuits, voltage up to 480 AC, lights and ballast.
4. Operates various types of hand tools, power equipment and machinery, precision instruments, specialized tools, gauges and devices.
5. Responds to emergency calls after hours and on weekends.
6. Maintains department records and files.
7. Performs emergency work and snow removal duties.

#### **QUALIFICATIONS:**

- Possession of a high school diploma/GED, supplemented by course work in HVAC, electrical and plumbing technical work.
- Minimum of five (5) years of experience in maintenance of HVAC systems, with a Type III or Universal Refrigerant Certification.

**GLOUCESTER COUNTY**  
invites applications for the position of:

- Any equivalent combination of training and experience which provides the required skills, knowledge and abilities.

**SPECIAL REQUIREMENTS:**

- Certificate or formal training in one or more of three trades (electrical, plumbing, or HVAC) is required.
- Possession of a valid driver's license; possess and maintain a driving record that meets established [Gloucester County Driving Standards](#).
- Pass a post offer, pre-employment physical examination. Employee may be subject to subsequent physical examinations to ensure he/she meets job-related physical requirements.
- Possession of a journeyman electrical certification or ability to obtain certification within one (1) year of employment is required.

To be considered for this position, your online application must include a minimum of 3 professional references and **must** be listed on the application. A resume and cover letter is preferred but not required.

**(Note: Professional references are individuals who can attest to your job-related knowledge, skills and abilities while working or in a volunteer capacity AND are not family or personally related. Professional references should include job title, company name and address, phone numbers and email address if available.)**
