

VACANCY ANNOUNCEMENT
IT Network Project Manager
Starting Salary Range: \$53,850 - \$86,160

The City of Fredericksburg is looking for a leader to join our team working on network projects throughout the City. The primary duties of this position are project management, network design and IT support.

Under limited supervision, performs technical work to design, administer, maintain, support and optimize the City's local and wide area network systems, servers and firewall; ensures the stability, security and integrity of in-house wireless network services. Work involves monitoring operations of critical equipment, reviewing log files and reports, assisting technicians with problem resolution, installing hardware/software, and reviewing and modifying hardware/software configurations to ensure high levels of availability and security of the supported business applications; scrutinizing network traffic, establishing and updating virus scans, analyzing and resolving security breaches/vulnerability issues, conducting user audits, performing system backups, assisting with support of the City's radio network and updating intranet web site.

This position works with all levels of management, external agencies and vendors to achieve the City's strategic goals and objectives.

The successful applicant will have an Associate's degree or Vocational/Technical degree with training emphasis in computer information systems and networking systems administration; be able to use initiative and independent judgment in completing tasks; three (3) years' experience and/or training involving network administration, design implementation, computer operations, hardware/software maintenance/repair, and technical support; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job. Rigorous background checks including criminal history, driving records and previous employment verification will be performed.

Prior working knowledge of VMWare, MDM, Microsoft Windows Server 2016 and 2019, Network+ and/or MCSE certification a plus, local government or related experience is also a plus. Applicant must have a VA driver's license or obtain one within 30 days of hire.

Come join us as part of a knowledgeable and energetic organization committed to excellence in serving a thriving and growing community through commitment to the [City's Core Values](#) of Agile Innovation, Abundant Compassion, Outstanding Customer Service, Energized Work Environment, Essential Engagement and Unwavering Stewardship. In addition to offering a great work team and excellent salary, the City of Fredericksburg provides a generous benefits package. Some telework is possible, time in the office each week is likely.

While the position is open until filled, completed City Applications and resumes should be submitted before the close of business on **Monday, November 2, 2020**.

Applications may be found at <https://www.fredericksburgva.gov/216/Employment>. Additional information may be found on the City's web page: www.fredericksburgva.gov
