

GLOUCESTER COUNTY
invites applications for the position of:

Mechanical Technician III

SALARY: \$41,531 +/- DOQ

OPENING DATE: 9/27/2020

CLOSING DATE: Open Until Filled

Description:

Under general supervision, performs skilled mechanical, electrical, and plumbing work on specialized systems and utility machinery for the Facilities Management Department. Work is performed in accordance with standard procedures and practices of the various trades and requires judgment and initiative in detecting the causes of malfunctions, in solving problems and in handling emergencies. May direct the work of others. Reports to the Senior Mechanical Technician or other designated supervisor.

Full Job Description is here: [Mechanical Technician III](#)

Required Knowledge, Skills, and Abilities:

- Broad knowledge of the construction, design, repair and adjustment of a wide variety of heating, air conditioning and ventilation systems.
- Broad knowledge of the tools, instruments, materials and supplies used in the repair and maintenance of a variety of heating, air conditioning, and ventilation systems.
- Broad knowledge of electrical, plumbing and control system principles.
- Broad knowledge of the occupational hazards and proper safety precautions for the various types of assigned work.
- Ability to use a variety of hand and power tools; to coordinate hands and eyes rapidly and accurately in using motorized machinery.
- Ability to determine minor and major causes of faulty operations of heating, air conditioning, and ventilation systems and to determine necessary corrective actions.

Qualifications:

- Possession of a high school diploma/GED, supplemented by course work in HVAC, electrical and plumbing technical work.
- Minimum of five (5) years of experience in maintenance of HVAC systems, with a Type III or Universal Refrigerant Certification.

Special Requirements:

- Certificate or formal training in one or more of three trades (electrical, plumbing, or HVAC) is required.
- Possession of a valid driver's license; possess and maintain a driving record that meets established Gloucester County Driving Standards.
- Pass a post offer, pre-employment physical examination.
- Possession of a journeyman electrical certification or ability to obtain certification within one (1) year of employment is required.
