

ISLE OF WIGHT COUNTY
invites applications for the position of:

Senior Water Quality Technician

SALARY: \$40,645.00 - \$52,839.00 Annually

OPENING DATE: 12/30/20

CLOSING DATE: Continuous

DESCRIPTION:

The Senior Water Quality Technician performs, organizes, and schedules water quality testing and related tasks as required to remain in compliance with state requirements. The incumbent also completes and manages record keeping for water quality compliance sampling for all small community and consecutive systems owned by the county. Additionally, the incumbent serves as the operator of record (for Office of Drinking Water small community system permit compliance requirements) for the County.

EXAMPLES OF DUTIES:

- Performs, organizes, and manages water quality compliance sampling;
- Commits to interaction with regulatory agencies;
- Provides water quality compliance related notifications to public;
- Maintains operation of reverse osmosis facility;
- Completes and tracks compliance related paperwork;
- Coordinates with Inspections and/or Contractors for CIP projects and major repairs where system shut-downs and/or flushing are required.
- Assists with repair of water infrastructure;
- Makes recommendations that impact the budget;
- Observe all approved safety and health policies and procedures pertaining to his/her work activities and perform all work tasks in a safe and healthy manner in accordance with County policy.

Physical Demands: The work is heavy work: Exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly to move objects. Requires the use of fingers, climbing, crawling, crouching, grasping, hearing, kneeling, mental acuity, pulling, pushing, reaching, stooping, speaking, visual acuity, and walking.

REQUIRED QUALIFICATIONS:

Education and Experience:

Requires a high school diploma or equivalent and a minimum of five (5) years of work experience or equivalent combination of work experience and education.

Licenses or Certifications:

Requires a minimum Class 4 Water Operators License. Various water quality and regulatory

training classes/seminars are preferred.

Requires a valid driver's license.

SUPPLEMENTAL INFORMATION:

The position is open until filled.

Please Note: All County employees may be required to report to serve our customers during emergency conditions. While some will perform their regular duties, others may be assigned to report at a different time and location and to perform different duties from their regular jobs.

Employees will either be deemed essential personnel and provide services that must continue regardless of or pursuant to a state of emergency or will be deemed nonessential personnel that will be required to report to work in an emergency if they receive an assignment to shelter duty or other duty.

APPLICATIONS MAY BE FILED ONLINE AT:
