

Goochland County is now accepting applications for the position of Assistant Director of Community Development. This is a professional position that assists the department director with day-to-day supervision of the department staff. The incumbent serves as technical advisor to planning, zoning, and environmental staff in the department, manages the Plan of Development program, and oversees complex planning and zoning projects.

Starting salary is between \$80,490 and \$85,000 DOQ.

Candidates must submit an application online and attach a current resume, list of at least 3 professional references, and copies of any certifications. A pre-employment background check and drug screen will be required.
