

The County of Warren is now accepting applications for the following position:

PC Technician

This is a full-time position within the Finance Department providing support to Warren County Government personnel. Duties include, but are not limited to: computer installation and configuration of hardware, software, and servers; and printer troubleshooting, maintenance, and repair. Minor network setup and administration. Keeping materials, supplies, and skills up to date, in addition to other duties as assigned by the technology supervisor.

Applicant must have a minimum of 3 years' experience working in the technical computer field with knowledge of a variety of software: Microsoft, Voice Over IP, Office 365. Experience with printer repair is preferred. A high school diploma or equivalent and additional technical training or college level coursework is required. A+ certification and Network+ certification is desirable.

Starting salary of \$41,886, depending on qualifications, with an excellent benefits package. For employment application, including job description, contact Warren County Administrator's Office, 220 North Commerce Avenue, Suite 100, Front Royal, Virginia, 22630, (540) 636-4600, or applications may be obtained online at www.warrencountyva.net/employment-opportunities. Position open until filled. Equal Opportunity Employer.
