

AUGUSTA COUNTY SERVICE AUTHORITY

JOB POSTING

DIRECTOR OF SOLID WASTE MANAGEMENT

Augusta County Service Authority is accepting applications for a full-time Director of Solid Waste Management. This position will plan, coordinate, and manage all areas of development and implementation in Augusta Regional Landfill operations through supervisors and employees to achieve effective, timely, and quality service; manage and lead all efforts in preventive and corrective maintenance of the landfill. Coordinate with representatives of Augusta County, City of Staunton, and City of Waynesboro on all matters related to planning, operations, capital improvements, financial information, etc. as required; assist in the design of Landfill facilities and supervise Landfill contract construction activities; and develop and maintain both a safe facility environment and a workforce capable of meeting the Landfill requirements for the residents of the local jurisdictions in the present and future.

This position requires a Bachelor of Science degree in Civil or Sanitary Engineering and a minimum of two (2) years of experience in solid waste operations with supervisory experience. Professional Engineer (PE) is preferred. The candidate is required to become a Certified Landfill Operator within one year of employment and must be thoroughly familiar with the operation and administration of local government public works; the relationship of local government with state and federal agencies; civil engineering design; construction and operation of sanitary landfills; Commonwealth of Virginia Solid Waste Management Regulations; and data processing systems and estimating techniques.

Benefits include, health (low cost to employee), dental, life insurance, voluntary benefits, vacation pay, holiday pay, floating holidays, longevity increases, and Virginia Retirement System. Salary is based on experience. ACSA is an Equal Opportunity Employer.

A complete job description of the position including qualifications are available on www.acsawater.com/employment. Candidates are asked to complete an application and résumé here <https://www.acsawater.com/DirectorofSolidWasteManagement>.

Position open until filled.
