

GLOUCESTER COUNTY
invites applications for the position of:

Mosquito Control Technician

Hourly: \$13.20

OPENING DATE: 6/3/2021

CLOSING DATE: Open Until Filled

Description:

Under general supervision, performs duties associated with the distribution of pesticide for the control of mosquitoes in the identified areas of the County. Employee must qualify for and maintain certifications in such field. Reports to the Facilities Management Director.

This Work As Required position is scheduled to work (weather permitting) M-F 4pm-10pm.

Required Knowledge, Skills, and Abilities:

Basic knowledge of standards, methods, pesticides and equipment used in an effective mosquito control program.

Basic knowledge of various adulticide and larvicide chemicals.

Basic knowledge of the occupational hazards and proper safety precautions to be taken when handling, transporting and applying pesticides.

Qualifications

Must be at least 18 years old.

Possession of a high school diploma/GED.

Special Requirements

Possession of a valid driver's license; possess and maintain a driving record that meets established Gloucester County Driving Standards.

Possession of Pesticide Registered Technician license from the Virginia Department of Agriculture and Consumer Services, or obtain within 90 days of employment. The Pesticide Registered Technician license requires a minimum of forty (40) hours on-the-job training in pesticide application and successfully passing the Registered Technician Examination.

Pass a post-offer, pre-employment physical examination. Position subject to subsequent physical examinations to ensure incumbent meets physical job requirements.

To be considered for this position, your online application must include three (3) professional references.
