

## Utility Programs Administrator

**Hiring Salary Range: \$53,850 - \$67,500 DOQ**

The City of Fredericksburg (recently named by [Southern Living](#) as one of the best small towns in the South) is seeking Utility Programs Administrator in the Public Works Department. Under limited supervision, this position is responsible for program management, administration, and compliance with permitted utility programs such as the Fats, Oils, and Grease (FOG) program, the backflow/cross-connection control program, and other associated regulatory programs. Coordinates with other City departments, utility customers, local residents and businesses to conduct educational programming and regulatory oversight of these programs.

This job is considered essential personnel and will be required to work during and following natural disasters and emergency situations.

Prior experience with Virginia/Federal regulatory agencies/programs is preferred. Bachelor's degree in Public Administration, Engineering, Environmental Science or a related field, with a minimum five (3) years of experience in public works, or programs management, or any equivalent combination of training and experience which provides the required skills, knowledge and experience and abilities.

Completed City Applications and resumes should be submitted before the close of business on **07/23/2021**. Priority will be given to applications received by **07/16/21**.

Come be part of a knowledgeable and amazing work team committed to excellence in serving a thriving and growing community and the commitment to [City's Core Values](#). The City is a member of the Virginia Retirement System and offers competitive health insurance and leave benefits.

Applications may be found at <https://www.fredericksburgva.gov/216/Employment>. Additional information may be found on the City's web page: [www.fredericksburgva.gov](http://www.fredericksburgva.gov)
