

Albemarle County Local Government

[Manager of Engineering Compliance](#)

Department of Community Development

Full-Time, 12 months

Exempt, Pay Grade 19

VRS-Eligible, Benefits-Eligible

The Albemarle County Department of Community Development is actively recruiting a Manager of Engineering Compliance to join our team. The successful Manager of Engineering Compliance will be responsible for leading, managing, and providing functional subject-matter expertise for the stormwater management and erosion & sediment control programs implementation and enforcement. Responsible for leading projects and enforcement in collaboration with various internal and external stakeholders and agencies, including Board members. Represents the Program Administrator for inspection and enforcement of the Water Protection Ordinance (WPO). Manages Engineering Inspectors.
