

VACo Associate Members Program

For several decades, VACo has connected businesses and organizations with Virginia's Counties

County Connections

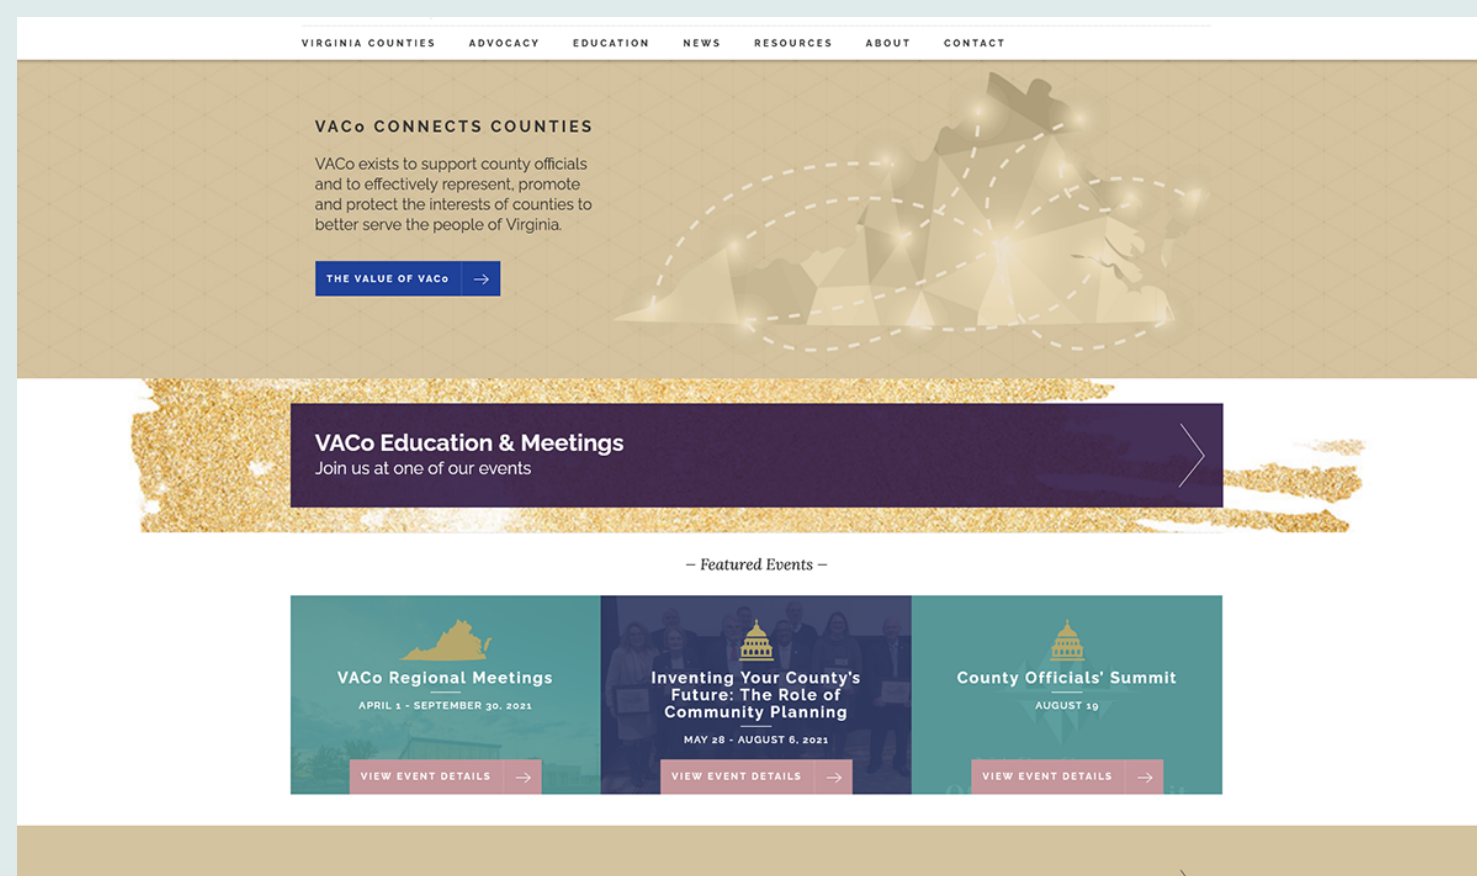

Connect with VACo members with an introductory feature article each year published in VACo's newsletter, County Connections. The newsletter is published twice a month.

Additionally, Associate Members receive an annual subscription to County Connections.

VACo welcomes your additional content in the newsletter throughout the year at \$200 per full page.

VACo Website

Each associate member has a dedicated landing page on VACo's website and on our mobile app, which connects to your website and other relevant links.

Associate members design their own presence on the VACo website and are provided a link of their page. Cross referencing in more than one industry category is available.

Associate Members Business Cards

Associate members are highlighted in County Connections in the form of business cards linked to your VACo website landing page

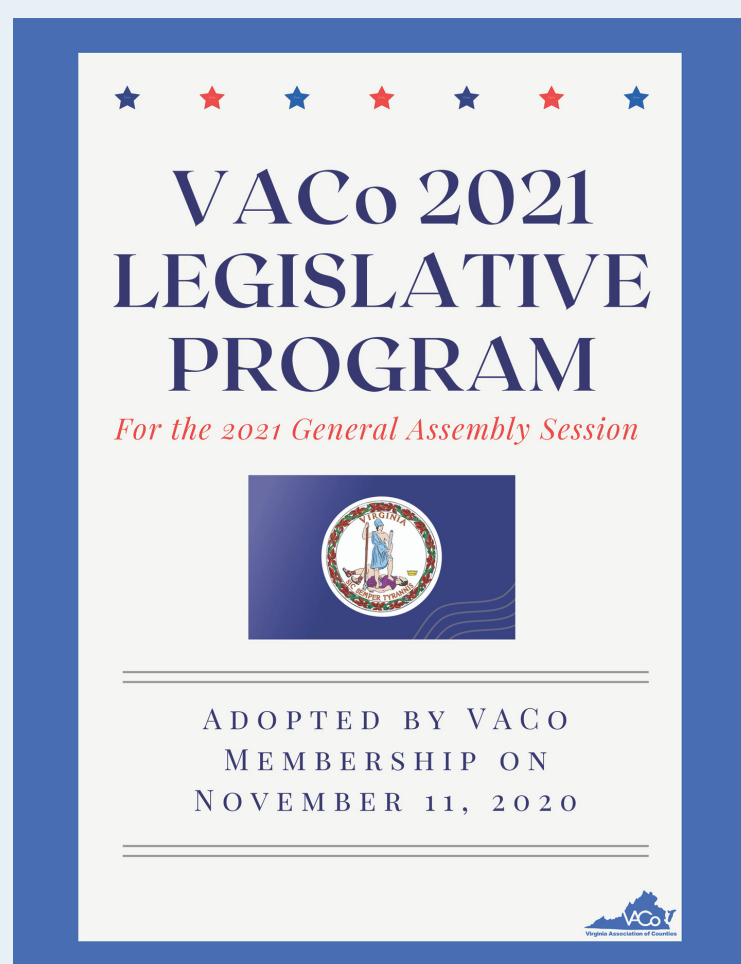

Other Amazing Perks

Sponsorship opportunities are available throughout the year for VACo meetings and educational events.

VACo will notify Associate Members when a member county has a need that matches the service or product offered by an Associate Member.

Access to VACo's annual legislative program and legislative summary affecting Virginia county government

VACo Annual Conference

Associate members are eligible to register for an exhibit booth at the membership discount.

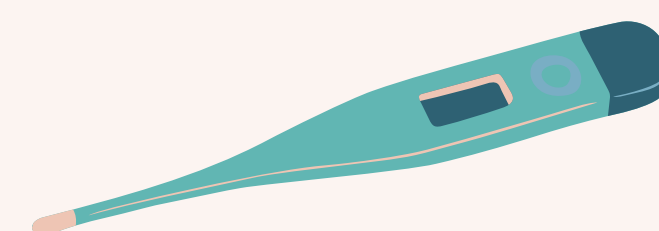

A limited number of exhibit spaces are available and must be reserved in advance in accordance with exhibitor registration procedures.

Once a year all associate members are listed in the annual conference program and in County Connections.

Health Insurance

Associate members can join the Virginia Society of Association Executives (VSAE) Health Plan at group rate pricing, a health insurance plan that includes dental and vision.

We are pleased to have your organization as an associate member in support of our association and Virginia's counties. The 2021-2022 membership dues are \$400 and the cycle is July 1-June 30 annually.
