

Goochland County is now accepting applications for the position of Transportation Manager. This is a professional position that serves as a liaison to the Virginia Department of Transportation (VDOT) and performs project management oversight for the County's transportation and modality projects.

Bachelor's Degree in engineering, planning, or related field plus five years of increasingly responsible professional transportation construction and/or design experience is required. EIT or PE registration is preferred.

Starting salary is between \$75,224 and \$82,746 DOQ.

Candidates must submit an application online and attach a current resume, list of at least 3 professional references, and copies of any certifications. A pre-employment background check and drug screen, and DMV record check will be required.

Visit www.goochlandva.us/231/Employment-Opportunities for the full job posting and to apply.

Goochland County is an Equal Opportunity Employer.
