

Construction Project Manager

Fauquier County is seeking a detail-oriented, thorough, and organized construction project manager to join our team. Ideal candidate must be able to provide a leadership, organization and planning role to control infrastructure project phases from conception through construction administration on multiple projects in an efficient manner. Provide professional communication with planners, engineers, contractors and regulatory agencies to develop new or rehabilitated County infrastructure. Ability to effectively communicate verbally and in writing with project stakeholders, including general public. Provide work necessary to ensure compliance with County Code, State and Federal Regulations for County staff, contractors and consultants; including but not limited to federal or state funding requirements. Candidate must possess an appropriate driver's license valid in the Commonwealth of Virginia and have the ability and willingness to obtain VDOT LAP qualification certification and other related VDOT LAP program certifications.

We offer a Comprehensive Benefits package to include but not limited to:

- Medical, dental, vision, and prescription coverage at very competitive rates
- Up to 14 paid holidays annually, sick leave, annual leave, and personal days
- Virginia Retirement System pension plan & a life insurance policy 2X annual salary
- 457(B) individual retirement plan
- Access our Employee Wellness Center which is free for all permanent employees & dependents
